GAE Committee Public Hearing

Chairpersons, Members of the Government Administration and Elections Committee,

My name is Abby Feldman, and I'm a restaurant worker who lives in New Haven. I think it's really important that we reform the campaign finance system so we can have free and fair elections in this country. As it stands, our citizens voices are no longer being represented at the federal level. This is an urgent matter, so I urge you to support SJ 33. Thank you for your time and effort so far.
